## Seed Companies

Seeds of Change  
Johnny's Seeds

Nichols Garden Seeds  
Parks Garden Seeds

## Organic Fertilizers

Compost balanced blend (ok- raw fruit (not citrus) and vegetables (not onions), peelings, eggshells, coffee grounds, manure, grass clippings (if not chemically treated), leaves, small amounts of healthy yard plant clippings and weeds that don't have seeds, organic flowers, tea bags, ashes, untreated sawdust, small amounts of paper and cardboard.

Not ok- meat, oils, cheese, cooked veggies, salty items, commercial flowers, houseplants, pet poop)

Fish Emulsion

Organic Miracle Gro

Manure (chicken, horse, goat)

## Organic Pest Control Products

Dipel

Diatomaceous Earth

Neem-pests and fungi

Homemade sprays- garlic, hot sauce, mild soap

Dryer lint (smells like concentrated human to keep mammals out)

Compliments of
